2. District Grade 7 Public Speaking Challenge

The District's Public Speaking Challenge, open to all Grade 7 students in the district, began in 1983 when then Burnaby principal, Dave Carter, thought of creating a district-wide public speaking challenge for elementary students. Every year since then, hundreds of students have participated in the competition designed to develop confidence and pursue excellence in public speaking skills. Students compete at the school level after which they are selected to move forward to the zone level. A final two from each of the four zones then advances to the district finals. This year the district finals were held on Wednesday, March 4th at Byrne Creek Secondary with the theme of "*Think Differently*".

This evening, Assistant Superintendent, Wanda Mitchell, will provide an overview of the Public Speaking Challenge. The 2015 Challenge champions were Zuzanna Liniewski (Brentwood Park), Tasfiyah Kabir (Chaffey Burke) and Liam Taylor (Stoney Creek) who placed 1st, 2nd and 3rd respectively. The students will share their winning speeches.
